17<sup>th</sup> October 2013

Dear Mike,

We noted that you declined to respond to our letter dated 3rd October 2013 and instead decided to go ahead with the Southbank Centre relocation meeting. We take your choosing not to respond to us to mean that you did not wish Long Live Southbank - the official campaign for the resident community at the Undercroft - to be present, and that you did not wish to furnish us with any of the information we requested in our letter.

We have noted your statement published today entitled 'New Southbank Centre Skate Space' in which you state your "panel of skating experts have chosen an architect" and "the selection panel, including skaters Iain Borden and Rich Holland". Could you please provide us a full list of the individuals who were part of the aforementioned panel and if there was more than one panel.

You also refer to "an expert Design Focus Group – formed of the selection panel and BMX-ing, graffiti writing and parkour representatives". Could you please furnish us with the names and discipline of these individuals and the process by which you have engaged them to be part of the focus group.

Regards,
